Verfahren und Einschränkungen der Flugsicherung:

ATC procedures and restrictions:

Auf Grund des hohen Verkehrsaufkommens gilt an Samstagen ab 21 DEC 2019:

1) Flight restrictions on Saturdays with effect from 21 DEC 2019:

- Sichtflüge haben mit Verzögerungen für An- und Abflüge zu rechnen.
- Sichtflüge, welche die CTR / TMA LOWS queren wollen, können abgelehnt werden.
- Sichtflüge sollten die Ankunft in Salzburg spätestens 30 Minuten vor ECET planen.

- VFR flights and IFR training flights have to expect delay
- VFR crossing clearance through CTR / TMA LOWS may be rejected
- VFR flights are requested to plan the arrival time for LOWS at latest 30 minutes prior ECET.

Folgende Flüge müssen mit der Flugsicherungsstelle Salzburg telefonisch koordiniert werden,

PPR is necessary for following flights:

Tel: +43 (0)5 1703 6555

- Schulflüge (auch Helikopter Schwebübungen)
- Lokalflüge Salzburg-Salzburg mit weniger als 30 Minuten Flugzeit

- traffic circuit flights
- helicopter hover exercises
- local flights (departure/arrival LOWS, VFR and IFR) with a duration less than 30 minutes
- IFR training flights.

Ambulanz-, Rettungs-, Polizei und Militärflüge sind davon ausgenommen.

For permission contact ATC-office Salzburg / Tel: +43 (0)5 1703 6555.

Exemptions from these restrictions are ambulance, rescue, police and military flights.

Verfahren der Flugsicherung:

ATC procedures and restrictions:

- 2) Speed restriction on Saturdays with effect from 21 DEC 2019 only from 0700 – 1900 UTC:
Arriving IFR flights which are not able to comply with a minimum speed of 160 KT to 5 NM final are normally not accepted within the mentioned time frame (based on ETA) due to dense arriving and departing traffic.
For exemptions contact ATC-office Salzburg /
Tel: +43 (0)5 1703 6555.
Exemptions from this restriction are ambulance, rescue, police and military flights.
- 3) Delivery Frequency:
Delivery Frequency "SALZBURG DELIVERY" FREQ 121.750 MHZ will be opened on demand and announced on ATIS "DELIVERY FREQ 121.750 OPEN".
(Especially on Saturdays from 21 DEC 2019 – 28 MAR 2020 "SALZBURG DELIVERY" will be in operation from 0600 until 2000 UTC).
When Delivery Frequency is opened, departing IFR-flights are requested to contact "SALZBURG DELIVERY" for any pre-flight information, IFR-clearance and start-up approval.
The request for start-up shall be made after all preparations for departure have been made (doors closed). On initial call for clearance and/or start-up report your parking stand.
Aircraft departing RWY 15 shall report if NOT able to depart from Intersection B and have to make a backtrack to use full RWY length.
Taxi clearance will be issued on Tower FREQ 118.100 MHZ.

Verfahren und Einschränkungen des Flughafens:
