Approval of the amendment to Salzburg Airport Charges 2026

Dear Sir/Madam!

We would like to inform you that the Federal Ministry for Innovation, Mobility and Infrastructure (as Austrian Civil Aviation Authority) has approved the amendment of the Airport Charges, which we have already announced on 17th September 2025 and will come into effect on

1 January 2026

Airport Charges will be changed as follows:

Passenger, Landside Infrastructure, Security Charge	+ 3,18 %
Landing, Parking and Airside Infrastructure Charge	+ 3,18 %
PRM Charge	€ 0,64/PAX
Security Charge	€ 15,16/PAX

Incentive Program: There are no changes to the content of the existing Incentive Program from **1 January 2026**. The change serves exclusively to clarify that scheduled flights must be bookable in both directions in order for an entitlement to exist.

Noise Reduction Charge: There are no changes to the content of the existing Noise Reduction Charge model from **1 January 2026**. The change is exclusively of a formal nature concerning the documents that must be made available to classify the aircraft into the correct group.

Handling Charges (incl. General Aviation, Single Services, De-Icing-Liquids and excl. CUPPS) will be increased by **3,18 %** from **1 January 2026**.

Hangar Charges will be increased by **5,00 %** from **1 January 2026**.

For further information please refer to

We kindly ask for your understanding for the increase, which is unfortunately unavoidable due to rising personnel costs, energy, raw materials and inflation.

Kind regards
