Amendment to Salzburg Airport Cargo Charges 2026

Dear Sir/Madam!

Due to price developments and the coverage of increased costs, our Cargo Charges will be increased by **3,18%** in accordance with index development as of

01 January 2026.

We ask for your understanding regarding this increase, which is unfortunately unavoidable due to rising personnel costs, energy prices, raw material costs, and inflation.

For further information on charges, please refer to <http://www.salzburg-airport.com>.

Kind regards
